

Public procurement in Ukraine

Strategic areas

- **Complete harmonization with EU directives**
- **Reducing operational cost of the tendering process**
- **Increasing the efficiency of procurement**

Objectives

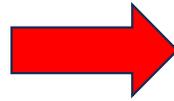

Predictable and stable national legislation through harmonizing with EU rules, concepts and terms in compliance with the international standards

Publicity of the process, the ability to analyze procurement and free access to information on procurement

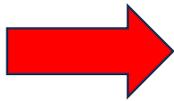

Challenges in the procurement sector 2022

Disrupted supply chains

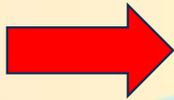

Reorientation of logistics “arteries”

Abandonment of any procurement procedures in favor of speed and efficiency in satisfying the needs for goods, works and services

Returning to regulated procurement procedures and making information about them publicly available

Instability of payments related to state obligations and prioritization of payments

Predictability of payments on the obligations of the state budget of Ukraine

Public procurement in Ukraine involves

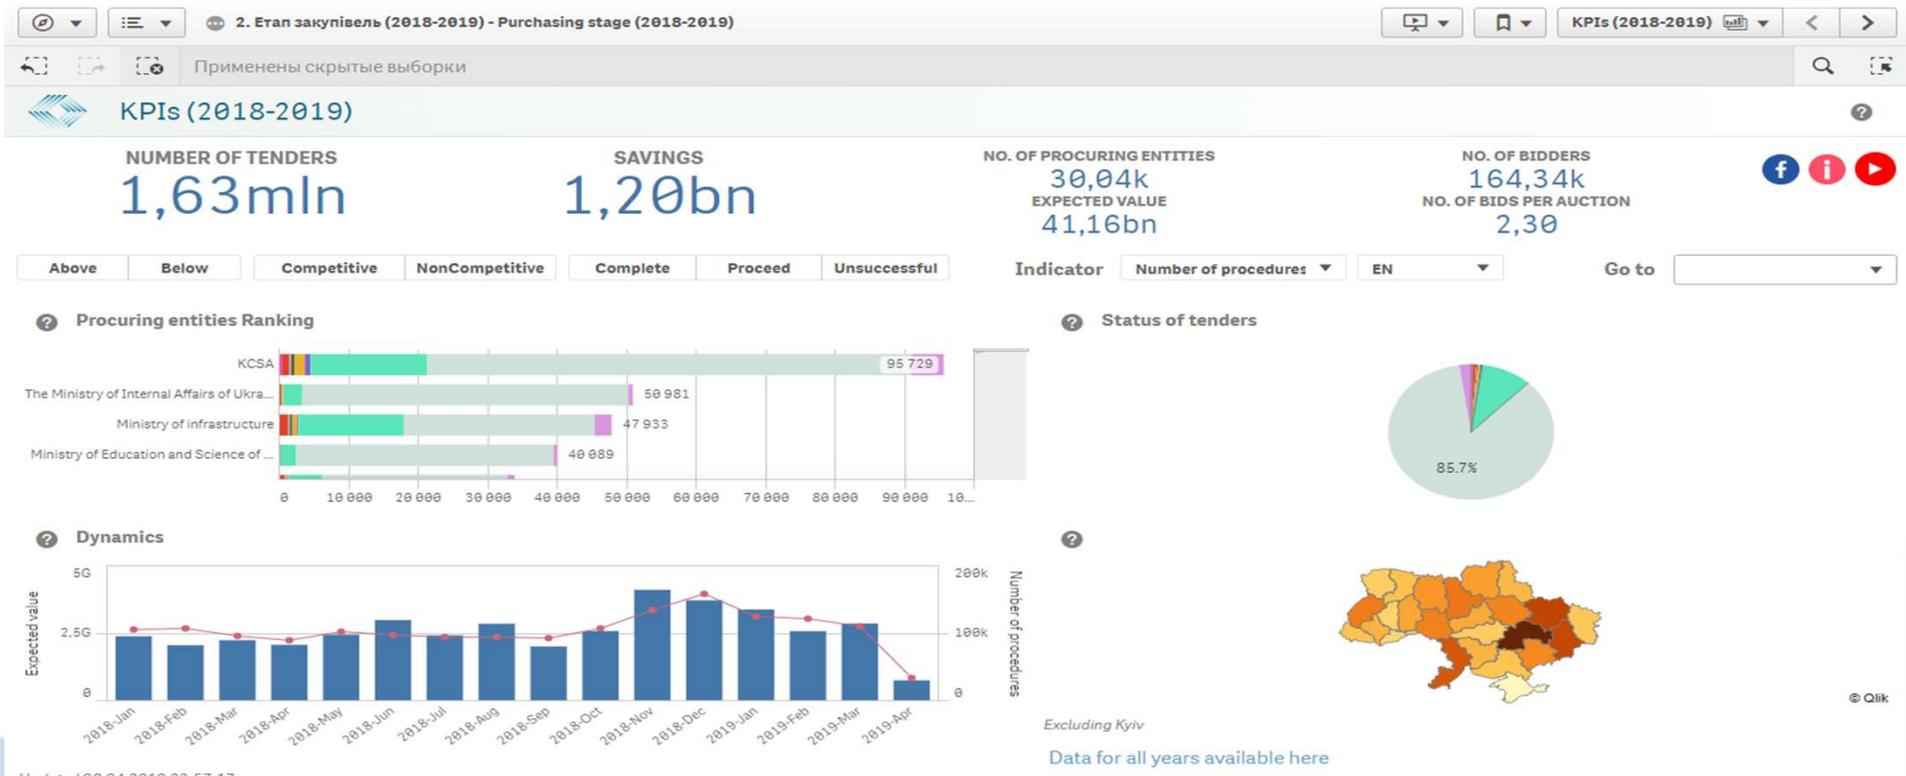

- **Obligation to conduct competitive procurement procedures, except for exceptions related to urgent procurement, procurement involving disclosure of critical and sensitive information)**
- **Conducting competitive procurement in a publicly available electronic system containing full information about the procuring entity, tender conditions, submitted offers and the results of consideration of such offers**
- **Availability of a wide range of possible competitive procedures (electronic catalogs - Prozorro Market (Amazon for the state), open bids, framework agreements)**
- **Possibility to conduct procurement with funds from international financial organizations using the electronic procurement system, taking into account the donor's rules and restrictions**
- **Displaying in the e-procurement system information on all direct contracts concluded without procedures (except for procurements containing classified information)**

Web-portal with “Google”- like search <https://www.prozorro.gov.ua>

The screenshot displays the Prozorro website interface. At the top left is the logo "prozorro" with a Ukrainian flag icon. To the right are social media icons for Telegram, YouTube, and Facebook, and a "Support service" contact number "0 800 503-400". Below the logo is a navigation menu with links for "News", "Prozorro Market", "Infobox", "Testing of authorized persons", and "Localization". A "Sign up" link is located on the far right. The main content area features a search bar with the placeholder text "Name or code of the product, purchase number, name or EDRPOU of the company" and a magnifying glass icon. Below the search bar are filter buttons: "Customer", "Member", "The buyer", "DK021:2015", "Status", "Type of purchase", "Region", and "All filters". A large banner is positioned below the search area, featuring an illustration of a soldier in camouflage gear holding a rifle, with a background showing people working at computers. To the right of the illustration is the "prozorro+" logo and the slogan "НАЙКРАЩІЙ АРМІЇ - НАЙКРАЩІЙ ТИЛ". At the bottom left of the banner, there is a link: "New to procurement? Learn about the first steps". A stylized logo is visible in the bottom right corner of the page.

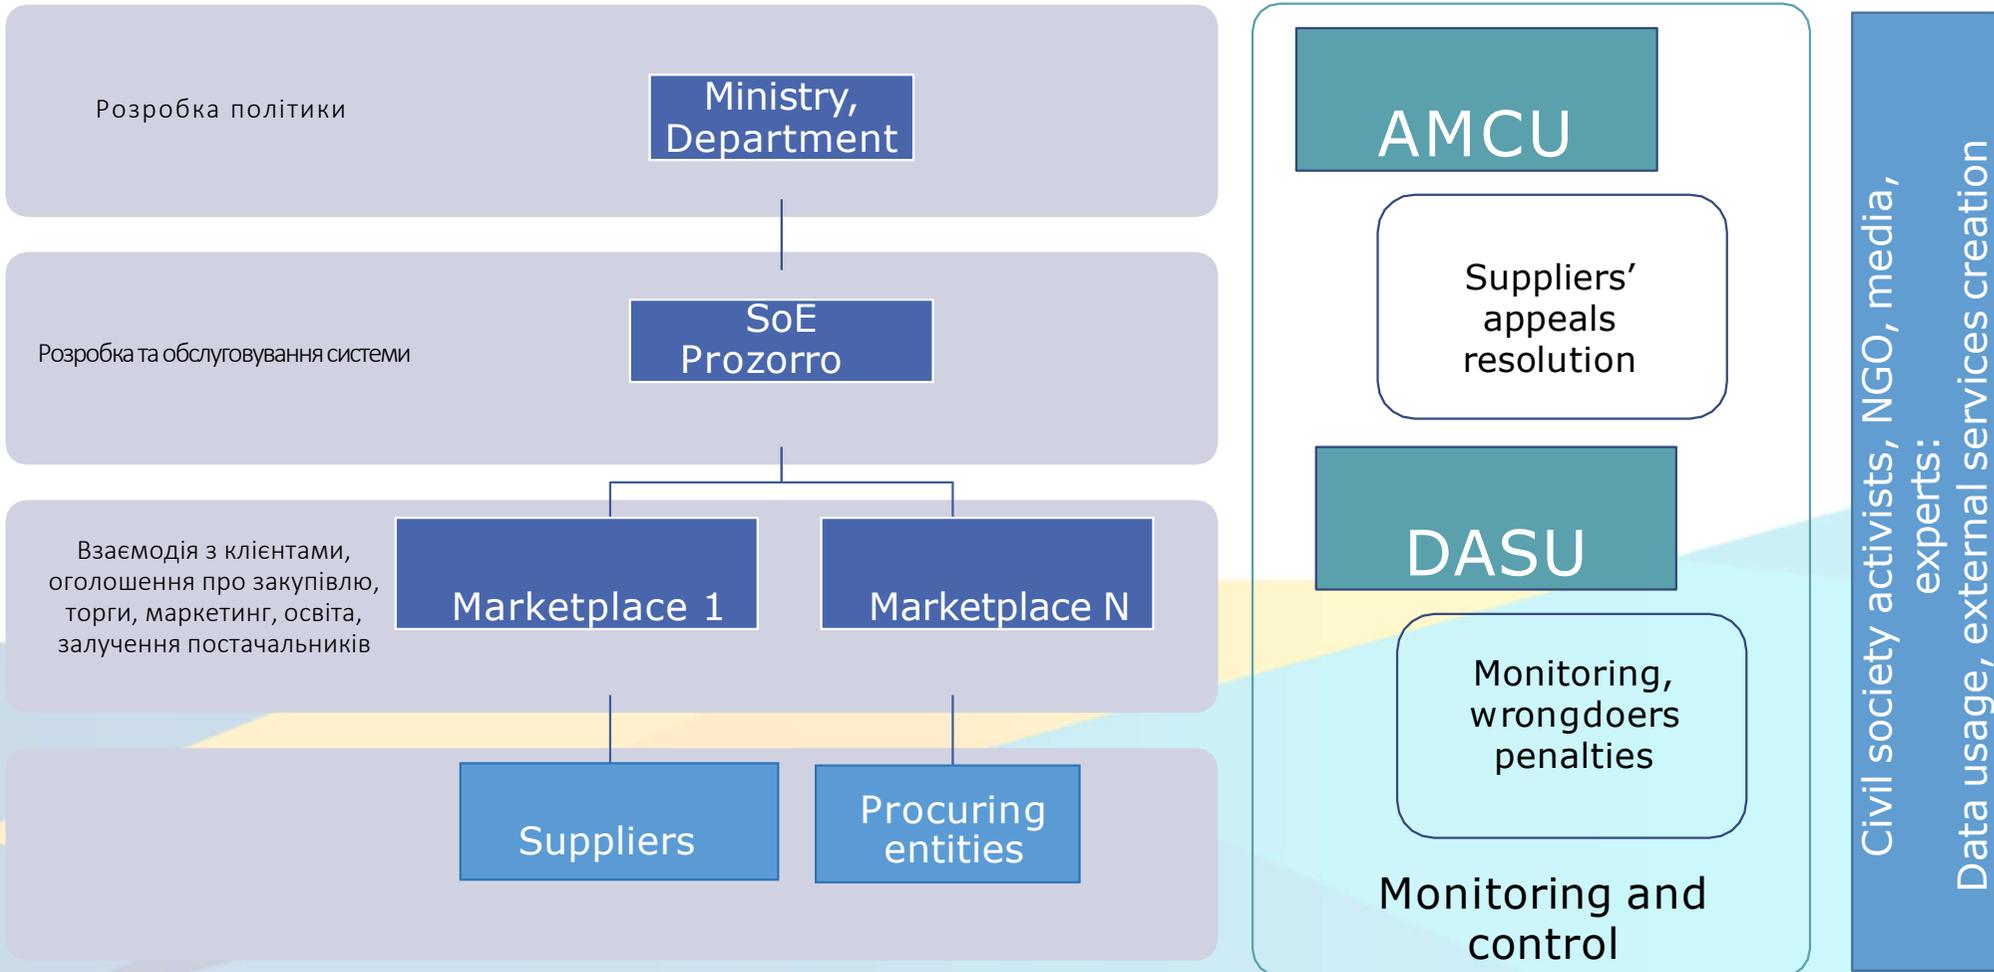

Analytics module bi.prozorro.org

Everyone can see every detail of the government procurement process in Ukraine. This tool can be used to monitor the public procurement process and to have a positive impact on it. Information can be analyzed in different perspectives. For example, it'll show all information about procurements in region, from supplier or contracting authority etc.
