IRELAND AMENDING THE POLITICAL, FREE TRADE AND STRATEGIC

KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND**

LETTER FROM THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN
IRELAND

Your Excellency,

I have the honour to refer to the Political, Free Trade and Strategic Partnership Agreement between Ukraine and the United Kingdom of Great Britain and Northern Ireland, done at London on 8 October 2020 ("the Agreement"), and to the recent discussions which have taken place between Ukraine and the United Kingdom of Great Britain and Northern Ireland concerning the amendment of certain provisions of the Agreement.

Consistent with these recent discussions, I have the honour to propose on behalf of the United Kingdom of Great Britain and Northern Ireland that the Agreement be amended as follows:

1. Article 141(3) of the Agreement shall be replaced with the following:

"This Chapter shall apply to contracts above value thresholds set out in Annex XVI-C:

The calculation of the estimated value of a public contract shall be based on the total amount payable.

When applying the thresholds in Section A of Annex XVI-C, both Parties shall convert these values into their own national currency (hereinafter referred to as "national currency values"), using the methodology laid out in Annex 3 of the "Decisions on Procedural Matters under the Agreement on Government Procurement (1994)" (GPA/1). These national currency values shall be revised every two years, beginning on 1 January 2022. Each Party shall notify the other Party of the revised national currency values that are to apply for each two-year period in advance of that period commencing.

When applying the thresholds in Section B of Annex XVI-C, Ukraine shall calculate and convert these values into its own national currency, using the exchange rate of the National Bank of Ukraine."

2. The following shall be inserted after Article 141(3) of the Agreement and shall constitute a new Article 141(4) of the Agreement:

"4. This Chapter shall not apply to the procurement of publicly-funded clinical healthcare services. Clinical healthcare services shall include the following services:

- (a) Human health services (CPC 931);
- (b) Administrative healthcare services (CPC 91122); and
- (c) Supply services of nursing personnel and supply services of medical personnel (CPC 87206 and CPC 87209).

CPC means the Central Products Classification as set out in the Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC prov, 1991."

3. Annex XVI-C of the Agreement shall be replaced with the following:

"ANNEX XVI-C

ANNEX XVI-C to Chapter 8

THRESHOLDS

(Article 141(3))

The value thresholds mentioned in Article 141(3) shall be for both Parties:

Section A
