## Petra Livestock Exhibition 2024

PLE is an international exhibition specialized in the livestock sector carried out by the Association of Agricultural Engineers and the Arab Society for Animal Science in the Union of Arab Agricultural Engineers. The aim of the exhibition is to present the latest technologies of production in the livestock sector by presenting production workshops, equipment and products in one place. This exhibition is expected to be one of the most important events in the reconstruction of Iraq and Syria, where the Hashemite Kingdom of Jordan has a safe environment in the Middle East.

The Expo will be held from 5 - 7 September 2024 on area of 7200 m<sup>2</sup> at the Amman International Motor Show, which is located on the Queen Alia International Airport road in Amman, Jordan.
