

REFORM SUPPORT TEAM OF THE MINISTRY OF ECONOMY

SUMMARY 2024

CORPORATE GOVERNANCE REFORM

Participated in the development and implementation of a comprehensive set of regulatory acts aimed at improving corporate governance of state-owned enterprises, including:

The Law of Ukraine No. 3587-IX "On Amendments to Certain Legislative Acts of Ukraine Regarding the Improvement of Corporate Governance" (previously - draft law 5593-d) has been adopted. By-laws to the Law #3587-

ix in the form of Draft of Ownership Policy, Remuneration Policy, Dividend Policy and secondary legislation on corporate governance reform, in addition to the State Ownership Policy.

PUBLIC INVESTMENT MANAGEMENT (PIM)

Provided comprehensive support for the formation and organization of Strategic Investment Council meetings, including assistance in approving the Single Project Pipeline for 2025, recovery priorities, and the development of the Concept for a National Strategic Planning System. Developed the Roadmap for Reforming Public Investment Management for 2024–2028 and the Public Preparation Framework (PPF).

Coordinated the launch of the Department of Public Investments within the Ministry of Economy and prepared guidelines and criteria for prioritizing public investment projects in the 2025–2027 budget declaration. Facilitated the Ministry's representation in the Interdepartmental working group on reforming the public investment management system.

Supported the Ministry of Economy in engaging international partners (EIB/JASPERS, World Bank, TBI, FCDO, IPA, etc.) in the creation of a methodological base for public investment management. Organized a roundtable and workshops on reforming PIM in collaboration with partners, the Ministry of Finance, and the Ministry of Infrastructure.

UKRAINE FACILITY PLAN

Restructured the team to establish a dedicated stream "Ukraine Plan Monitoring". Coordinated efforts with the Verkhovna Rada, step executors, and Reform Support Teams in other ministries.

Successfully monitored the implementation of the Ukraine Plan for Q3 and Q4 2024, which enabled the receipt of corresponding tranches. Achievements included the adoption of: Law of Ukraine No. 3509-IX on strengthening the independence of the Specialized Anti-Corruption Prosecutor's Office (SAPO); Action Plan for the implementation of the Asset Recovery Strategy for 2023-2025; Deregulation action plan; Amendments to the State Strategy for Regional Development for 2021-2027; Resolution of the Cabinet of Ministers of Ukraine "Certain Issues of Implementing the Ukraine Facility" No. 1318, dated November 15, 2024.

LABOUR MARKET REFORM

Assisted in drafting the text of the new Labor Code (six books) based on more than 30 working group meetings and advocacy plan for the draft are developed.

Created: an interactive dashboard for macroeconomic labor market indicators (over 20 metrics); a draft methodology for evaluating the effectiveness of active employment programs; a new calculation method for medium-term labor market forecasts for state education orders (Order No. 12755, dated May 16, 2024).

INCREASING THE COMPLEXITY OF THE ECONOMY VIA DEVELOPMENT OF PROCESSING INDUSTRY

PRODUCER REGISTRY

Developed the concept and technical specifications for the creation of the "Producer Registry" and secured the approval of a development plan, which includes creating an analytical portal to assess the effectiveness of state business support programs.

PROCESSING OFFICE

Developed the concept and technical specifications for the creation of the "Producer Registry" and facilitated the approval of its development plan, which includes the establishment of an analytical portal to assess the effectiveness of state business support programs.

PUBLIC ADMINISTRATION REFORM

Implemented a range of measures to optimize internal communications, including: developing a communication development plan, organizing employee dialogues with the State Secretary; establishing the "Ambassadors of the Ministry of Economy" communication platform.

Analyzed the process of drafting and approving the Ministry's regulatory acts and developed proposals for its optimization.

SUPPORT TO SMALL AND MEDIUM-SIZED ENTERPRISES (SMES)

Initiated a partnership project with HB Media, publishing four articles about grant opportunities for Ukrainian SMEs and startups.

Provided comprehensive support for launching the "Pulse" online feedback platform for SMEs.
