Trade & Investment Summit
17th-18th of June 2020
Stockholm, Sweden

Introduction

Welcome to Sweden's most focused Trade and Investment Summit.
An international standard event that is a must attend for all global Board Of Investors.

The aim is:

- (1) to promote and facilitate international trade between Sweden and the rest of the world
- (2) to facilitate direct investment/ assistance
- (3) to provide a platform for Swedish businesses to expand into new markets.
- (4) to enable BOI's to work in unison with the Nordic business market.

There will be a heavy focus on the following

Manufacturing

Agriculture

Construction and Smart Cities

Logistics

Creative Industries

Education

Medical Biotechnology

Ocean Exploration

Environment and Energy

Technology and Artificial Intelligence

Healthcare and Hospital start ups/management

Young Entrepreneurs and start ups
